

DIGITAL AND ANALOGUE CLOCKS

KS1 – 2004 Paper 2

1.

20

One hand points at 6 and one hand points between 3 and 4:

1

◆ **Do not** award the mark if the hour hand points directly at the 3 or 4.

Accept hands of any length on the clock face provided that one hand points to 6 and the other hand points anywhere within the shaded sector on the clock.

Accept slight inaccuracies in drawing provided that the child's intention is clear.
